In case you missed it – Dean’s Forum on Health Systems Science

Last week, Dr. Jed Gonzalo presented three unique sessions on Health Systems Science as a part of our revitalized Dean’s Forum Series. Dr. Gonzalo’s presentations ranged from the history and basics of Health Systems Science to practical implementation and associated challenges. If you were unable to join us for one of Dr. Gonzalo’s three presentations, head over to the [TEACH website to view a recording](#) of all three today!
