What's New with TEACH? Share your On-Demand Needs and Submit a TEACH Award Nomination!

- **Faculty Development on Demand Request Form:** As our organization grows and expands, so do the professional development needs of our faculty! In an effort to create a standardized process for organizing all on-demand faculty development requests, we have created a request form for faculty development events and opportunities. TEACH will work to review and evaluate all requests to identify how we can support your on-demand needs! [Click here](#) to learn more.
- **TEACH Award Nominations Are Open!** Nominations for the 2022 TEACH Awards are now open! Five unique awards have been created over the years to recognize the efforts of our educators and highlight their accomplishments. Please nominate exceptional faculty who embody the principles of excellence in teaching, who go above and beyond in their teaching role, and who will have a long-term impact on your career and that of others. TEACH Award Categories include: Scholarship of Teaching and Learning, Feedback, Educator Mentorship, Innovative Teaching, and Rising Star. Help those educators who have profoundly impacted your learning to be recognized for their outstanding efforts! TEACH Award nominations will close **July 15** so make sure you submit a nomination for your favorite educator! Find the Nomination Criteria and Nomination Form [Here!](#)

Diversity, Equity, and Inclusion Faculty Development

In partnership with the Diversity, Equity & Inclusion (DEI) team at VTC SOM, we are now sharing information on resources and upcoming opportunities related to DEI faculty development. These resources and activities will serve to support efforts related to DEI and our teaching practices. To see a list of upcoming DEI opportunities, check out the [VTC SOM DEI Events Page](#).

- **Minority Faculty Leadership Development Seminar:** Now is the time to register for this unique opportunity that is designed with a focus of enhancing the career growth for racial and ethnic minorities and underrepresented populations in academic medicine by developing key competencies that build skills in grant writing and communications. The in-person seminar will be held June 16-19 in San Antonio, Texas. [Register Now!](#)
- **AAMC webinar on advancing American Indian and Alaska Native learners in medical school and residency programs:** Hosted in collaboration with the Association of American Indian Physicians and the Association of Native American Medical Students, the webinar panelists will outline data, describe how American Indian and Alaska Native identity is different from other historically excluded groups in medicine, and share best practices and guidance on how to advance the inclusion of American Indian and Alaska Native learners and trainees throughout the medical education continuum. [Register Now!](#)
- **2022 Head for the Hills CME Conference:** Registration is now open for Virginia Rural Health Association's Head for the Hills Conference, which takes place Nov. 4 and 5 in Abingdon.
