In addition to our series offered by TEACH, we offer professional development series and programs through Carilion Clinic's Office of Continuing Professional Development. [View the OCPD website](#) for more resources for your professional development needs.

Recognition & Rewards

Spill the TEA!

With summer in full swing, it is a great time to show appreciation for the awesome educators we see in action every day!

The **TEACH Educator Appreciation (TEA)** program was developed to allow peers and learners to send notes of appreciation and thanks to faculty members who have impacted their education, careers, and lives. TEA messages help to express appreciation for our teachers throughout the organization.

Click the button below to submit a TEA message today! Please [email Mariah Rudd](#) if you have questions about the TEA program.

[Submit a TEA message](#)

Welcome new TEACH members!

Please join us in welcoming our new members for **June 2023**

Diversity, Equity & Inclusion Faculty Development

In partnership with the **Diversity, Equity & Inclusion (DEI)** team at VTCSOM, we invite you to review the resources and engage in upcoming opportunities related to DEI faculty development. These resources and activities will serve to support efforts related to DEI and our teaching practices. To see a list of upcoming DEI Opportunities, [check out the VTCSOM DEI Events Page](#).

- **AAMC IDEAS Learning Series: Culturally-Responsive Support for Medical Student Mental Health**, Tues, Aug 8, 2023, 2:00 pm ET -- This webinar will highlight the critical need to share effectual strategies to address

medical students' mental health. Mental health practitioners will present culturally-responsive approaches and insights to support students, focusing on marginalized identities. The discussion will also address common barriers and emphasize the significance of early interventions, diagnoses, and continuous support to enhance academic success. [Register to attend](#) this virtual event (NOTE: requires free AAMC account to complete registration).

- **ACCME National Healthy Equity Grand Rounds:** ACCME is sponsoring an upcoming event to advance diversity, equity, and inclusion (DEI) in all aspects of accredited education. They invite individuals to join the third National Health Equity Grand Rounds event, *Breaking Down the Ivory Tower: Building the Health Care Workforce America Needs*, on **Tues, Aug 8, 2023, 2:00 pm - 3:30 pm ET**. The National Health Equity Grand Rounds series is hosted and developed by the Accreditation Council for Continuing Graduate Education (ACGME), the American Medical Association (AMA), the National Center for Interprofessional Practice and Education, and RespectAbility. [Register to attend](#) this virtual event.

Educator Resources

Find new resources to support your teaching

- **AAMC Building Better Curriculum Webinar Series: *Developing Nutritional Competence in Medical Students and Residents*, Wed, Aug 16, 2023, 1:00 pm ET.** In this session, speakers will examine the growing need to improve nutrition competence in medical education. They will discuss the national conversations about nutrition education, including the White House's Strategy on Hunger, Nutrition, and Health and the recent Summit on Medical Education in Nutrition, hosted by ACGME, AAMC, and AACOM. Attendees will hear from educational leaders in this area, involving both undergraduate and graduate medical education, and learn about opportunities to include nutrition education within the curriculum for medical students and residents. [Register to attend](#) this virtual event (NOTE: requires free AAMC account to complete registration). You may also [view previously recorded sessions](#).
- **Virginia Tech TLOS Showcase on Innovative Pedagogies:** Technology-enhanced Learning and Online Strategies (TLOS) invites faculty, staff, and graduate students to attend a day of workshops on **Thurs, Aug 17, 2023, 8:30 am - 4:00 pm** in its University Mall (UMall) offices at 801 University City Blvd, Suite 21 (or on Zoom). The workshops will be led by TLOS faculty partners who will share their innovative pedagogical approaches and outcomes. Workshop topics include badging and micro-credentials, artificial intelligence, collaborative annotation, and universal design for learning (UDL), as well as tours of the DIY and POD recording studios. Light refreshments and lunch will be provided for in-person attendees. [Register to attend](#) in person or through Zoom Events.
- **Free IAMSE Webcast Audio Seminar Series Archives available now:** The International Association of Medical Science Educators (IAMSE) is pleased to announce that the [Webcast Audio Seminar online archives](#) now includes the 2022 Spring series, *To Infinity and Beyond: Expanding the Scope of Basic Sciences in Meeting Accreditation Standards*. At the prompt, you can search the archives or browse by year and series.
- **AAMC Career Development Resources:** The AAMC has several [career development resources](#) for faculty, including leadership and professional development programs, virtual communities, networking and affinity groups, and one-on-one support.

- **Upcoming Scholarly Publishing Webinar Series program: *Ready to Help! Partnering with Your Medical Librarian to Maximize Scholarly Success***, Fri, Aug 18, 2023, 1:00 pm ET. Speakers will discuss practical strategies for successfully partnering with medical librarians to amplify the impact of education scholarship. They will also offer insights into the benefits and risks of using AI in research and explore how medical librarians can guide educators in navigating this evolving landscape. [Register to attend](#) this virtual event.

Educator Opportunities

Submit a grant, create an abstract, or register to attend!

- **Virginia Tech CETL Faculty Teaching Group Grants:** The Center for Excellence in Teaching and Learning (CETL), in partnership with the Office of the Executive Vice President and Provost, provides this grant program to support Virginia Tech faculty members who would like to explore a topic related to higher education teaching and learning in a small and interactive learning community. The primary goals of this grant program are 1) to encourage faculty members to form collaborative support networks within or outside of their home departments and colleges at Virginia Tech and 2) to encourage exploration and discovery related to teaching and learning in higher education. Faculty Teaching Groups will receive a grant of up to \$2,000 toward their proposed goals. Approximately five grants will be funded each year. [Learn more about the program and grant guidelines](#). Proposals for this grant program should be [submitted electronically](#) on or before **Fri, Sept 1, 2023**. **NOTE:** The proposal is submitted through Google Forms and requires a [vt.edu login](#) to access. If you have difficulty gaining access or have other questions, please [email CETL](#).
- **Call for GFA Chair-Elect:** The GFA [call for nominations](#) is now open! For the GFA Chair-elect position, only those who have served as a current or past GFA Steering Committee member are eligible. For the GFA committee appointments, all interested GFA members are more than welcome to submit a nomination. The deadline for submissions is **Tues, Aug 15, 2023 11:59 PM PST**. If you are interested, please review the [Committee Appointment Requirements](#).
- **Generalists in Medical Education (TGME) 2023 Annual Conference:** Registration is now open for the Generalists in Medical Education (TGME) meeting, **Nov 2-3, 2023**, in Seattle, Washington. This year's meeting theme is *Teaching and Learning Together: Developing Health Professions Education for Today and Tomorrow*. [Register to attend](#). Early bird registration ends **Sun, Oct 1, 2023!**
